"We had a large family gathering and I cannot recommend this boutique gem enough. Every single element of the event was perfect. From planning through to the following morning. All of the staff are genuine and caring people. Food was excellent and all of our guests had a great time."

"Great staff and a good location that was near everything but far enough to relax in quiet. Rooms are nicely done and The Eddison has a great breakfast. Plenty of pubs nearby. Overall, a great place to stay with a little history thrown in with the building"
